Value Added Courses

DTC has introduced 'DTC-EDU- An Array of Value Added Courses

DTC EDU: An Array of Value Added Courses:

To make the students more resourceful and employable, we, at DTC, have introduced 'DTC EDU- An Array of Value Added Courses'. From 1st year itself, the students join these Value Added Courses and by the time, they complete their academics, they have already joined and excelled in the corporate world as they stand ahead of others. Some of these courses include:

- ***Internet of Things (IOT)***
- ***Machine Learning (ML)***
- ***Data Science using Python***
- ***SAP***
- ***Android Development***
- ***Wed Development***

Soft Skills Training Programme 'Connect with Work'

In 3rd and 4th year, the students do 44 hours of soft skills and aptitude training programme 'Connect with Work'. After successful completion of the course, students are provided certificates also.

Soft Skills Programme "Connect with Work"

Corporate Connect Programme

Corporate Connect Program:

- *At DTC, we have a strong student empowered placement cell. From 2nd year onwards, students join the placement cell and help in organizing the placement drives. They visit companies, talk to company HRs and then decide which company they want to bring in college.*
